Memorandum

To: Cherise Tieben, City Manager
From: Nannette Pogue
Date: November 29, 2018
Subject: Ordinance No. 3701 and Resolution No. 2018-26
Agenda Item: Ordinances and Resolutions

Recommendation: I recommend the City Commission approve Ordinance No. 3701 and Resolution No. 2018-26

Background: Ordinance No. 3701 authorizes and provides for the issuance of General Obligation Bonds, Series 2018-A of the City, provides for the levy and collection of annual tax to pay the principal and interest on the bonds.

The City has previously taken action to fund several street improvements including: Candletree Addition, Unit 8 – street, sewer, water, drainage and street lighting; McDonalds redevelopment – street, storm water, sewer and water; additional funds for Central Avenue Reconstruction; Linn Street reconstruction and drainage; Wagon Wheel #2 connection to Frontview; various asphalt street projects; Kindsvater Trucking drainage; and Green Hills O’Ford Drainage.

By approving Ordinance No. 3701, the City Commission will authorize the issuance of General Obligation Bonds, Series 2018 A, of the City in the principal amount of approximately \$4,105,000 of its general obligation bonds to pay the costs of the Improvements.

This bond issue is a public bond sale. It was advertised in the Kansas Register and Dodge City Daily Globe that bids will be taken until December 3rd at 11:00 a.m. A tabulation of the bids will be available at the meeting on Monday night. Ahead of the Ordinance, the Commission will approve the best bid for the bonds.

Resolution No. 2018-26 prescribes the form and details of the sale and delivery of the bonds and makes certain covenants and agreements to provide for the payment and security of those bonds.

Justification: Necessary to fund street improvement projects and stormwater improvement projects. This bond will also call the temporary notes that were issued to fund Candletree Addition #8 and McDonalds Wyatt Earp redevelopment improvements. Both of these projects will be paid back through special assessments.

Financial Considerations: Annual payments to mature the bonds.

Purpose/Mission: We value progress and growth for the community's future.

Legal Considerations: All have been satisfied by bond counsel. They have prepared all of the ordinances, resolutions and other documents necessary to legally complete the sale.

Attachments: Ordinance No. 3701 and Resolution No. 2018-26.

Every new Bond issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Bond Resolution equally and ratably with all other Outstanding Bonds.

Section 209. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Bonds; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Bonds shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Bonds, except in the event the Bond Registrar issues Replacement Bonds as provided in this Section. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Bonds to the Participants until and unless the Bond Registrar authenticates and delivers Replacement Bonds to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds; or

(b) if the Bond Registrar receives written notice from Participants having interests in not less than 50% of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Bond Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Bond Registrar shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Bond Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Bond Registrar, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Issuer, the Bond Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Bond Registrar shall authenticate and cause delivery of Replacement Bonds

to Owners, as provided herein. The Bond Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing, registration, authentication, and delivery of Replacement Bonds shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Bond Registrar receives written evidence satisfactory to the Bond Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Bond Registrar upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in an Authorized Denominations and form as provided herein.

Section 211. Nonpresentment of Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Bond Resolution or on, or with respect to, said Bond. If any Bond is not presented for payment within four (4) years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated November 5, 2018, is hereby ratified and approved. The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor and Director of Finance are hereby authorized to execute the Official Statement as so supplemented, amended and completed, and the use and public distribution of the Official Statement by the Purchaser in connection with the reoffering of the Bonds is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Bonds sufficient copies of the Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Bonds. The sale of the Bonds to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Bonds shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Bond Resolution), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF BONDS

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, Bonds maturing on September 1 in the years 2027, and thereafter, will be subject to redemption and payment prior to their Stated Maturity on September 1, 2026, and thereafter, as a whole or in part (selection of maturities and the amount of Bonds of each maturity to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the Redemption Price of 100% (expressed as a percentage of the principal amount), plus accrued interest to the Redemption Date.

(c) **2033 Term Bonds.**] The 2033 Term Bonds shall be subject to mandatory redemption and payment prior to Stated Maturity pursuant to the mandatory redemption requirements of this Section at a Redemption Price equal to 100% of the principal amount thereof plus accrued interest to the Redemption Date. *Final Maturity]

At its option, to be exercised on or before the 45th day next preceding any mandatory Redemption Date, the Issuer may: (1) deliver to the Paying Agent for cancellation Term Bonds subject to mandatory redemption on said mandatory Redemption Date, in any aggregate principal amount desired; or (2) furnish the Paying Agent funds, together with appropriate instructions, for the purpose of purchasing any Term Bonds subject to mandatory redemption on said mandatory Redemption Date from any Owner thereof whereupon the Paying Agent shall expend such funds for such purpose to such extent as may be practical; or (3) receive a credit with respect to the mandatory redemption obligation of the Issuer under this Section for any Term Bonds subject to mandatory redemption on said mandatory Redemption Date which, prior to such date, have been redeemed (other than through the operation of the mandatory redemption requirements of this subsection) and cancelled by the Paying Agent and not theretofore applied as a credit against any redemption obligation under this subsection. Each Term Bond so delivered or previously purchased or redeemed shall be credited at 100% of the principal amount thereof on the obligation of the Issuer to redeem Term Bonds of the same Stated Maturity on such mandatory Redemption Date, and any excess of such amount shall be credited on future mandatory redemption obligations for Term Bonds of the same Stated Maturity as designated by the Issuer, and the principal amount of Term Bonds to be redeemed by operation of the requirements of this Section shall be accordingly reduced. If the Issuer intends to exercise any option granted by the provisions of clauses (1), (2) or (3) above, the Issuer will, on or before the 45th day next preceding each mandatory Redemption Date, furnish the Paying Agent a written certificate indicating to what extent the provisions of said clauses (1), (2) and (3) are to be complied with, with respect to such mandatory redemption payment.]

Section 302. Selection of Bonds to be Redeemed. Bonds shall be redeemed only in an Authorized Denomination. When less than all of the Bonds are to be redeemed and paid prior to their Stated Maturity, such Bonds shall be redeemed in such manner as the Issuer shall determine. Bonds of less than a full Stated Maturity shall be selected by the Bond Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Bond Registrar may determine.

In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption a minimum Authorized Denomination of face value shall be treated as though it were a separate Bond of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Bond is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Bond to the Bond Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Bond or Bonds of the aggregate principal amount of the unredeemed portion of the principal amount of such Bond. If the Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Bonds for redemption prior to maturity, written notice of such intent shall be provided to the Bond Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Bond Registrar shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Bond Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. [The foregoing provisions of this paragraph shall not apply in the case of any mandatory redemption of Term Bonds hereunder, and Term Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the Issuer and whether or not the Paying Agent holds moneys available and sufficient to effect the required redemption.]

Unless waived by any Owner of Bonds to be redeemed, if the Issuer shall call any Bonds for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Bonds to the Bond Registrar and the Purchaser. In addition, the Issuer shall cause the Bond Registrar to give written notice of redemption to the Owners of said Bonds. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Bonds, the Bond Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Bond (having been mailed notice from the Bond Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Bond so affected, shall not affect the validity of the redemption of such Bond.

Official notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Bond Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Bonds being redeemed; (2) the date of issue of the Bonds as originally issued; (3) the rate of interest borne by each Bond being redeemed; (4) the maturity date of each Bond being redeemed; and (5) any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Bond Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Bonds being redeemed shall bear or have enclosed the CUSIP number of the Bonds being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

If at any time said taxes and/or assessments are not collected in time to pay the principal of or interest on the Bonds when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

If, through the lapse of time or otherwise, the Owners of Bonds are no longer entitled to enforce payment of the Bonds or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Bond Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Bonds entitled to payment from such moneys.

All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account other than the Redemption Fund may be invested in accordance with this Bond Resolution and the Federal Tax Certificate in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account; provided that, during the period of construction of the Improvements, earnings on the investment of such funds may, at the discretion of the Issuer, be credited to the Debt Service Account.

Any funds remaining in the Compliance Account on the sixth anniversary of the Issue Date shall be transferred to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Bond Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Bonds. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Bond Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Bonds shall be for the equal benefit, protection, and security of the Owners of any or all of the Bonds, all of which Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Bond Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Bonds by this Bond Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Bonds shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Bond Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Bond Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Bonds, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Bonds, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Bond Registrar to give such notice of redemption in compliance with *Article III* hereof. TAX COVENANTS

Section 801. General Covenants. The Issuer covenants and agrees that it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Bonds; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and the Director of Finance are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to *Article VII* hereof or any other provision of this Bond Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 902. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section. Notwithstanding any other provision of this Bond Resolution, failure of the Issuer to comply with its covenants contained in the preceding section shall not be considered an Event of Default under this Bond Resolution.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Director of Finance. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Bonds, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the Governing Body shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Bond Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Bonds or of this Bond Resolution, may be amended or modified at any time in any respect by ordinance or resolution of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Bond Resolution.

Any provision of the Bonds or of this Bond Resolution may, however, be amended or modified by ordinance or resolution duly adopted by the Governing Body at any time in any legal respect with the written consent of the Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Bond Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Bonds among Improvements, to provide for Substitute Improvements, to conform this Bond Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Bonds or of this Bond Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the Governing Body amending or supplementing the provisions of this Bond Resolution and shall be deemed to be a part of this Bond Resolution. A certified copy of every such amendatory or supplemental ordinance or resolution, if any, and a certified copy of this Bond Resolution

shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Bond Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance or resolution or of this Bond Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the ordinance or resolution of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Bond Resolution which affects the duties or obligations of the Paying Agent under this Bond Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Bond Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Owners of the requisite principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Bond Resolution, Bonds owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Bond Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Bond Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of

receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1005. Electronic Transactions. The issuance of the Bonds and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor, Director of Finance, and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Bond Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Bond Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Bond Resolution.

Section 1008. Governing Law. This Bond Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1009. Effective Date. This Bond Resolution shall take effect and be in full force from and after its adoption by the Governing Body.

*Subject: Resolution 2018-25
Boundary Resolution Describing the
City Limits of Dodge City*

Agenda: Ordinances and Resolutions

Recommendation: Approval of Boundary Resolution 2018-25.

Background: Each year the City must adjust the boundary resolution that describes the City Limits of the City to account for any additional land that has been annexed in the past year or correct any errors found in the description. This year the two islands, Bob's Pawn Shop and the Kliesen property, within the existing city limits were added to the City.

Justification: Each year the City is required by KSA 12-517 to adjust the City's boundary by resolution.

Financial Considerations: None

Purpose/Mission: The City is responsible for following State laws. By updating our boundaries, we have identified what properties should be served by the City and can plan for long-term improvements to those areas.

Legal Considerations: The City is obligated under state statute to update the boundary of the City.

Attachments: Boundary Resolution and map showing the current boundary of the City.

Every Paying Agent or Note Registrar appointed hereunder shall at all times meet the requirements of K.S.A. 10-501 *et seq.* and K.S.A. 10-620 *et seq.*, respectively.

Section 204. Method and Place of Payment of the Notes. The principal of, or Redemption Price, if any, and interest on the Notes shall be payable in any coin or currency which, on the respective dates of payment thereof, is legal tender for the payment of public and private debts.

The principal or Redemption Price of each Note shall be paid at Maturity to the Person in whose name such Note is registered on the Note Register at the Maturity thereof, upon presentation and surrender of such Note at the principal office of the Paying Agent. The interest payable on each Note on any Interest Payment Date shall be paid to the Owner of such Note as shown on the Note Register at the close of business on the Record Date for such interest (a) by check or draft mailed by the Paying Agent to the address of such Owner shown on the Note Register or at such other address as is furnished to the Paying Agent in writing by such Owner; or (b) in the case of an interest payment to Cede & Co. or any Owner of \$500,000 or more in aggregate principal amount of Notes, by electronic transfer to such Owner upon written notice given to the Note Registrar by such Owner, not less than 15 days prior to the Record Date for such interest, containing the electronic transfer instructions including the bank, ABA routing number and account number to which such Owner wishes to have such transfer directed.

Notwithstanding the foregoing provisions of this Section, any Defaulted Interest with respect to any Note shall cease to be payable to the Owner of such Note on the relevant Record Date and shall be payable to the Owner in whose name such Note is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as hereinafter specified in this paragraph. The Issuer shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Note and the date of the proposed payment (which date shall be at least 45 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first class mail, postage prepaid, to each Owner of a Note entitled to such notice at the address of such Owner as it appears on the Note Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of payment of principal and Redemption Price of and interest on all Notes and at least annually shall forward a copy or summary of such records to the Issuer.

Section 205. Payments Due on Saturdays, Sundays and Holidays. In any case where a Note Payment Date is not a Business Day, then payment of principal, Redemption Price or interest need not be made on such Note Payment Date but may be made on the next succeeding Business Day with the same force and effect as if made on such Note Payment Date, and no interest shall accrue for the period after such Note Payment Date.

Section 206. Registration, Transfer and Exchange of Notes. The Issuer covenants that, as long as any of the Notes remain Outstanding, it will cause the Note Register to be kept at the office of the Note Registrar as herein provided. Each Note when issued shall be registered in the name of the Owner thereof on the Note Register.

Notes may be transferred and exchanged only on the Note Register as provided in this Section. Upon surrender of any Note at the principal office of the Note Registrar, the Note Registrar shall transfer or exchange such Note for a new Note or Notes in any Authorized Denomination of the same Stated Maturity and in the same aggregate principal amount as the Note that was presented for transfer or exchange.

Notes presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Note Registrar, duly executed by the Owner thereof or by the Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Notes is exercised, the Note Registrar shall authenticate and deliver Notes in accordance with the provisions of this Note Resolution. The Issuer shall pay the fees and expenses of the Note Registrar for the registration, transfer and exchange of Notes provided for by this Note Resolution and the cost of printing a reasonable supply of registered note blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Note Registrar, are the responsibility of the Owners of the Notes. In the event any Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Owner hereunder or under the Notes.

The Issuer and the Note Registrar shall not be required (a) to register the transfer or exchange of any Note that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to *Article III* hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption; or (b) to register the transfer or exchange of any Note during a period beginning at the opening of business on the day after receiving written notice from the Issuer of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to this *Article II*.

The Issuer and the Paying Agent may deem and treat the Person in whose name any Note is registered on the Note Register as the absolute Owner of such Note, whether such Note is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Note and for all other purposes. All payments so made to any such Owner or upon the Owner's order shall be valid and effective to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid, and neither the Issuer nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Note Registrar, the Note Register may be inspected and copied by the Owners (or a designated representative thereof) of 10% or more in principal amount of the Notes then Outstanding or any designated representative of such Owners whose authority is evidenced to the satisfaction of the Note Registrar.

Section 207. Execution, Registration, Authentication and Delivery of Notes. Each of the Notes, including any Notes issued in exchange or as substitutions for the Notes initially delivered, shall be executed for and on behalf of the Issuer by the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed thereto or imprinted thereon. The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes in the manner herein specified, and to cause the Notes to be registered in the office of the Clerk, which registration shall be evidenced by the manual or facsimile signature of the Clerk with the seal of the Issuer affixed thereto or imprinted thereon. The Notes shall also be registered in the office of the State Treasurer, which registration shall be evidenced by the manual or facsimile signature of the State Treasurer with the seal of the State Treasurer affixed thereto or imprinted thereon. The Notes shall be countersigned by the manual or facsimile signature of the Clerk and the seal of the Issuer shall be affixed or imprinted adjacent thereto following registration of the Notes by the Treasurer of the State of Kansas. In case any officer whose signature appears on any Notes ceases to be such officer before the delivery of such Notes, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Note may be signed by such persons who at the actual time of the execution of such Note are the proper officers to sign such Note although at the date of such Note such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Notes as herein specified, and when duly executed, to deliver the Notes to the Note Registrar for authentication.

The Notes shall have endorsed thereon a certificate of authentication substantially in the form attached hereto as *EXHIBIT A* hereof, which shall be manually executed by an authorized officer or employee of the Note Registrar, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Notes that may be issued hereunder at any one time. No Note shall be entitled to any security or benefit under this Note Resolution or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Note Registrar. Such executed certificate of authentication upon any Note shall be conclusive evidence that such Note has been

duly authenticated and delivered under this Note Resolution. Upon authentication, the Note Registrar shall deliver the Notes to the Purchaser upon instructions of the Issuer or its representative.

Section 208. Mutilated, Lost, Stolen or Destroyed Notes. If (a) any mutilated Note is surrendered to the Note Registrar or the Note Registrar receives evidence to its satisfaction of the destruction, loss or theft of any Note, and (b) there is delivered to the Issuer and the Note Registrar such security or indemnity as may be required by each of them, then, in the absence of notice to the Issuer or the Note Registrar that such Note has been acquired by a bona fide purchaser, the Issuer shall execute and, upon the Issuer's request, the Note Registrar shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer, in its discretion, may pay such Note instead of issuing a new Note.

Upon the issuance of any new Note under this Section, the Issuer may require the payment by the Owner of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Note issued pursuant to this Section shall constitute a replacement of the prior obligation of the Issuer, and shall be entitled to all the benefits of this Note Resolution equally and ratably with all other Outstanding Notes.

Section 209. Cancellation and Destruction of Notes Upon Payment. All Notes that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Notes so cancelled and destroyed and shall file an executed counterpart of such certificate with the Issuer.

Section 210. Book-Entry Notes; Securities Depository. The Issuer and Paying Agent have entered into a DTC Representation Letter with DTC. The Notes shall initially be registered to Cede & Co., the nominee for the Securities Depository, and no Beneficial Owner will receive certificates representing their respective interests in the Notes, except in the event the Note Registrar issues Replacement Notes as provided in this Section. It is anticipated that during the term of the Notes, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of principal of, premium, if any, and interest on, the Notes to the Participants until and unless the Note Registrar authenticates and delivers Replacement Notes to the Beneficial Owners as described in the following paragraph.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes; or

(b) if the Note Registrar receives written notice from Participants having interests in not less than 50% of the Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes, then the Note Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Note Registrar shall register in the name of and authenticate and deliver Replacement Notes to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Note Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Note. Upon the issuance of Replacement Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Note Registrar, to the extent applicable with respect to such Replacement Notes. If the Securities Depository resigns and the Issuer, the Note Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Note Registrar shall authenticate and cause delivery of Replacement Notes to Owners, as provided herein. The Note Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Notes. The cost of printing, registration, authentication, and delivery of Replacement Notes shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Note Registrar receives written evidence satisfactory to the Note Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Note Registrar upon its receipt of a Note or Notes for cancellation shall cause the delivery of Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 211. Nonpresentment of Notes. If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Note Resolution or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated November 5, 2018, is hereby ratified and approved. For the purpose of enabling the Purchaser to

comply with the requirements of Section (b)(1) of the SEC Rule, the Issuer hereby deems the information regarding the Issuer contained in the Preliminary Official Statement to be “final” as of its date, except for the omission of such information as is permitted by Section (b)(1) of the SEC Rule, and the Mayor or chief financial officer of the Issuer are hereby authorized, if requested, to provide the Purchaser a letter or certification to such effect and to take such other actions or execute such other documents as such officers in their reasonable judgment deem necessary to enable the Purchaser to comply with the requirement of the SEC Rule.

The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor or chief financial officer of the Issuer are hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Notes is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Notes sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Notes. The sale of the Notes to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Notes shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Note Resolution), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF NOTES

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, the Notes will be subject to redemption and payment prior to maturity on September 1, 2019, and thereafter, as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Section 302. Selection of Notes to be Redeemed. Notes shall be redeemed only in an Authorized Denomination. When less than all of the Notes are to be redeemed and paid prior to their Stated Maturity, such Notes shall be redeemed in such manner as the Issuer shall determine. Notes of less than a full Stated Maturity shall be selected by the Note Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Note Registrar may determine.

In the case of a partial redemption of Notes by lot when Notes of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such redemption each minimum Authorized Denomination of face value shall be treated as though it were a separate Note of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Note is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Note to the Note Registrar:

(1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Note or Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any such Note fails to present such Note to the Paying Agent for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Notes for redemption prior to maturity, written notice of such intent shall be provided to the Note Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Note Registrar shall call Notes for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Note Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Notes to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in this Section are met.

Unless waived by any Owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar and the Purchaser. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the Owners of said Notes. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Notes are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Notes or portions of Notes that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Notes, the Note Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a

Participant, or failure on the part of a nominee of a Beneficial Owner of a Note (having been mailed notice from the Note Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Note so affected, shall not affect the validity of the redemption of such Note.

Official notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Notes or portion of Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, the Redemption Price of such Notes shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Note, there shall be prepared for the Owner a new Note or Notes of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Notes that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Note Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Notes being redeemed; (2) the date of issue of the Notes as originally issued; (3) the rate of interest borne by each Note being redeemed; (4) the maturity date of each Note being redeemed; and (5) any other descriptive information needed to identify accurately the Notes being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Note Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Notes and to one or more national information services that disseminate notices of redemption of obligations such as the Notes.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Notes being redeemed shall bear or have enclosed the CUSIP number of the Notes being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Note.

ARTICLE IV

SECURITY FOR NOTES

Section 401. Security for the Notes. The Notes shall be general obligations of the Issuer payable as to both principal and interest from special assessments levied upon the property benefited by the construction of the Improvements, or from general obligation bonds of the Issuer, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Note Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein.

Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall, subject to any determination in such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Notes, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Notes, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Note Registrar to give such notice of redemption in compliance with *Article III*. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Resolution.

The Issuer covenants and agrees that: it will comply with: (a) all applicable provisions of the Code necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Notes; and (b) all provisions and requirements of the Federal Tax Certificate. The Mayor and Director of Finance or other designated personnel are hereby authorized and directed to execute the Federal Tax Certificate in a form approved by Bond Counsel, for and on behalf of and as the act and deed of the Issuer. The Issuer will, in addition, adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the

Notes will remain excluded from federal gross income, to the extent any such actions can be taken by the Issuer.

Section 802. Survival of Covenants. The covenants contained in this Article and in the Federal Tax Certificate shall remain in full force and effect notwithstanding the defeasance of the Notes pursuant to *Article VII* hereof or any other provision of this Note Resolution until such time as is set forth in the Federal Tax Certificate.

ARTICLE IX

CONTINUING DISCLOSURE REQUIREMENTS

Section 901. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 902. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

ARTICLE X

MISCELLANEOUS PROVISIONS

Section 1001. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk, and a duplicate copy of the audit shall be mailed to the Purchaser. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Resolution, the Issuer shall promptly cure such deficiency.

Section 1002. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Resolution, may be amended or modified at any time in any respect by resolution or ordinance of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be

recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) Extend the maturity of any payment of principal or interest due upon any Note;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;
- (c) permit preference or priority of any Note over any other Note; or
- (d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Resolution.

Any provision of the Notes or of this Note Resolution may, however, be amended or modified by resolution or ordinance duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, to more precisely identify the Improvements, to reallocate proceeds of the Notes among Improvements, to provide for Substitute Improvements, to conform this Note Resolution to the Code or future applicable federal law concerning tax-exempt obligations, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the governing body of the Issuer amending or supplementing the provisions of this Note Resolution and shall be deemed to be a part of this Note Resolution. A certified copy of every such amendatory or supplemental resolution or ordinance, if any, and a certified copy of this Note Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or ordinance or of this Note Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution or ordinance of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Resolution which affects the duties or obligations of the Paying Agent under this Note Resolution.

Section 1003. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any

of the purposes of this Note Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Resolution, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer.

Section 1004. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 1005. Electronic Transactions. The issuance of the Notes and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 1006. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Note Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 1007. Severability. If any section or other part of this Note Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Note Resolution.

Section 1008. Governing Law. This Note Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 1009. Effective Date. This Note Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

The Issuer may decide, subject to the requirements of the Operational Arrangements of DTC (or a successor Securities Depository), and the following provisions of this section to discontinue use of the system of book-entry transfers through DTC (or a successor Securities Depository):

(a) If the Issuer determines (1) that the Securities Depository is unable to properly discharge its responsibilities, or (2) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (3) that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes; or

(b) if the Note Registrar receives written notice from Participants having interests in not less than 50% of the Notes Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Notes being issued to any Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Notes, then the Note Registrar shall notify the Owners of such determination or such notice and of the availability of certificates to Owners requesting the same, and the Note Registrar shall register in the name of and authenticate and deliver Replacement Notes to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under (a)(1) or (a)(2) of this paragraph, the Issuer, with the consent of the Note Registrar, may select a successor securities depository in accordance with the following paragraph to effect book-entry transfers.

In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Note. Upon the issuance of Replacement Notes, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Note Registrar, to the extent applicable with respect to such Replacement Notes. If the Securities Depository resigns and the Issuer, the Note Registrar or Owners are unable to locate a qualified successor of the Securities Depository in accordance with the following paragraph, then the Note Registrar shall authenticate and cause delivery of Replacement Notes to Owners, as provided herein. The Note Registrar may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Notes. The cost of printing, registration, authentication, and delivery of Replacement Notes shall be paid for by the Issuer.

In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, the Issuer may appoint a successor Securities Depository provided the Note Registrar receives written evidence satisfactory to the Note Registrar with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities and Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Note Registrar upon its receipt of a Note or Notes for cancellation shall cause the delivery of Notes to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 211. Nonpresentment of Notes. If any Note is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Note have been made available to the Paying Agent all liability of the Issuer to the Owner thereof for the payment of such Note shall forthwith

cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Owner of such Note, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Note Resolution or on, or with respect to, said Note. If any Note is not presented for payment within four (4) years following the date when such Note becomes due at Maturity, the Paying Agent shall repay, without liability for interest thereon, to the Issuer the funds theretofore held by it for payment of such Note, and such Note shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the Issuer, and the Owner thereof shall be entitled to look only to the Issuer for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the Issuer shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

Section 212. Preliminary and Final Official Statement. The Preliminary Official Statement dated November 5, 2018, is hereby ratified and approved. The Official Statement is hereby authorized to be prepared by supplementing, amending and completing the Preliminary Official Statement, with such changes and additions thereto as are necessary to conform to and describe the transaction. The Mayor or chief financial officer of the Issuer are hereby authorized to execute the final Official Statement as so supplemented, amended and completed, and the use and public distribution of the final Official Statement by the Purchaser in connection with the reoffering of the Notes is hereby authorized. The proper officials of the Issuer are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the Issue Date.

The Issuer agrees to provide to the Purchaser within seven business days of the date of the sale of Notes sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of the SEC Rule and Rule G-32 of the Municipal Securities Rulemaking Board.

Section 213. Sale of the Notes. The sale of the Notes to the Purchaser is hereby ratified and confirmed. The Mayor and Clerk are hereby authorized to execute the official bid form submitted by the Purchaser. Delivery of the Notes shall be made to the Purchaser on the Issue Date (which shall be as soon as practicable after the adoption of this Note Resolution), upon payment of the Purchase Price.

ARTICLE III

REDEMPTION OF NOTES

Section 301. Redemption by Issuer.

Optional Redemption. At the option of the Issuer, the Notes will be subject to redemption and payment prior to maturity on June 1, 2019, and thereafter, as a whole or in part (selection of the amount of Notes to be redeemed to be determined by the Issuer in such equitable manner as it may determine) at any time, at the redemption price of 100% (expressed as a percentage of the principal amount), plus accrued interest thereon to the Redemption Date.

Section 302. Selection of Notes to be Redeemed. Notes shall be redeemed only in an Authorized Denomination. When less than all of the Notes are to be redeemed and paid prior to their Stated Maturity, such Notes shall be redeemed in such manner as the Issuer shall determine. Notes of less than a full Stated Maturity shall be selected by the Note Registrar in a minimum Authorized Denomination of principal amount in such equitable manner as the Note Registrar may determine.

In the case of a partial redemption of Notes by lot when Notes of denominations greater than a minimum Authorized Denomination are then Outstanding, then for all purposes in connection with such

redemption each minimum Authorized Denomination of face value shall be treated as though it were a separate Note of the denomination of a minimum Authorized Denomination. If it is determined that one or more, but not all, of a minimum Authorized Denomination of face value represented by any Note is selected for redemption, then upon notice of intention to redeem a minimum Authorized Denomination, the Owner or the Owner's duly authorized agent shall forthwith present and surrender such Note to the Note Registrar: (1) for payment of the Redemption Price and interest to the Redemption Date of a minimum Authorized Denomination of face value called for redemption, and (2) for exchange, without charge to the Owner thereof, for a new Note or Notes of the aggregate principal amount of the unredeemed portion of the principal amount of such Note. If the Owner of any such Note fails to present such Note to the Paying Agent for payment and exchange as aforesaid, such Note shall, nevertheless, become due and payable on the redemption date to the extent of a minimum Authorized Denomination of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. In the event the Issuer desires to call the Notes for redemption prior to maturity, written notice of such intent shall be provided to the Note Registrar in accordance with K.S.A. 10-129, as amended, not less than 45 days prior to the Redemption Date. The Note Registrar shall call Notes for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Note Registrar at least 45 days prior to the Redemption Date of written instructions of the Issuer specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Notes to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in this Section are met.

Unless waived by any Owner of Notes to be redeemed, if the Issuer shall call any Notes for redemption and payment prior to the Stated Maturity thereof, the Issuer shall give written notice of its intention to call and pay said Notes to the Note Registrar and the Purchaser. In addition, the Issuer shall cause the Note Registrar to give written notice of redemption to the Owners of said Notes. Each of said written notices shall be deposited in the United States first class mail not less than 30 days prior to the Redemption Date.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Notes are to be redeemed, the identification (and, in the case of partial redemption of any Notes, the respective principal amounts) of the Notes to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Note or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Notes are to be surrendered for payment of the Redemption Price, which shall be the principal office of the Paying Agent.

The failure of any Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Notes or portions of Notes that are to be redeemed on such Redemption Date.

For so long as the Securities Depository is effecting book-entry transfers of the Notes, the Note Registrar shall provide the notices specified in this Section to the Securities Depository. It is expected that the Securities Depository shall, in turn, notify its Participants and that the Participants, in turn, will notify or cause to be notified the Beneficial Owners. Any failure on the part of the Securities Depository or a Participant, or failure on the part of a nominee of a Beneficial Owner of a Note (having been mailed notice from the Note Registrar, the Securities Depository, a Participant or otherwise) to notify the Beneficial Owner of the Note so affected, shall not affect the validity of the redemption of such Note.

Official notice of redemption having been given as aforesaid, the Notes or portions of Notes to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the Issuer defaults in the payment of the Redemption Price) such Notes or portion of Notes shall cease to bear interest. Upon surrender of such Notes for redemption in accordance with such notice, the Redemption Price of such Notes shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Note, there shall be prepared for the Owner a new Note or Notes of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Notes that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

In addition to the foregoing notice, the Issuer shall provide such notices of redemption as are required by the Disclosure Undertaking. Further notice may be given by the Issuer or the Note Registrar on behalf of the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if official notice thereof is given as above prescribed:

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (1) the CUSIP numbers of all Notes being redeemed; (2) the date of issue of the Notes as originally issued; (3) the rate of interest borne by each Note being redeemed; (4) the maturity date of each Note being redeemed; and (5) any other descriptive information needed to identify accurately the Notes being redeemed.

(b) Each further notice of redemption shall be sent at least one day before the mailing of notice to Owners by first class, registered or certified mail or overnight delivery, as determined by the Note Registrar, to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Notes and to one or more national information services that disseminate notices of redemption of obligations such as the Notes.

(c) Each check or other transfer of funds issued for the payment of the Redemption Price of Notes being redeemed shall bear or have enclosed the CUSIP number of the Notes being redeemed with the proceeds of such check or other transfer.

The Paying Agent is also directed to comply with any mandatory standards then in effect for processing redemptions of municipal securities established by the State or the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Note.

ARTICLE IV

SECURITY FOR NOTES

Section 401. Security for the Notes. The Notes shall be general obligations of the Issuer payable as to both principal and interest from bonds of the Issuer, and if not so paid, from ad valorem taxes which may be levied without limitation as to rate or amount upon all the taxable tangible property, real and personal, within the territorial limits of the Issuer. The full faith, credit and resources of the Issuer are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Notes as the same become due.

Section 402. Levy and Collection of Annual Tax. The governing body of the Issuer shall annually make provision for the payment of principal of, premium, if any, and interest on the Notes as the same become due, if necessary, by levying and collecting the necessary taxes upon all of the taxable tangible property within the Issuer in the manner provided by law.

The taxes referred to above shall be extended upon the tax rolls and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the Issuer are levied and collected. The proceeds derived from said taxes shall be deposited in the Bond and Interest Fund, shall be kept separate and apart from all other funds of the Issuer shall thereafter be deposited in the Debt Service Account and shall be used solely for the payment of the principal of and interest on the Notes as and when the same become due, and the fees and expenses of the Paying Agent.

If at any time said taxes are not collected in time to pay the principal of or interest on the Notes when due, the Treasurer is hereby authorized and directed to pay said principal or interest out of the general funds of the Issuer and to reimburse said general funds for money so expended when said taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS AND ACCOUNTS DEPOSIT AND APPLICATION OF NOTE PROCEEDS AND OTHER MONEYS

Section 501. Creation of Funds and Accounts. Simultaneously with the issuance of the Notes, there shall be created within the Treasury of the Issuer the following funds and accounts:

- (a) Redemption Fund for Refunded Notes.
- (b) Debt Service Account for Taxable General Obligation Temporary Notes, Series 2018-2.
- (c) Costs of Issuance Account for Taxable General Obligation Temporary Notes, Series 2018-2.

The Funds and Accounts established herein shall be administered in accordance with the provisions of this Note Resolution so long as the Notes are Outstanding.

Section 502. Deposit of Note Proceeds and Other Moneys. The net proceeds received from the sale of the Notes and certain other funds shall be deposited simultaneously with the delivery of the Notes as follows:

- (a) All accrued interest and excess proceeds, if any, received from the sale of the Notes shall be deposited in the Debt Service Account.

(b) An amount necessary to pay the Costs of Issuance shall be deposited in the Costs of Issuance Account.

(c) The remaining balance of the proceeds derived from the sale of the Notes, together with funds provided by the Issuer in accordance with subsection (d) hereof, shall be deposited in the Redemption Fund.

(d) In addition to proceeds of the Notes, the Issuer will deposit to the Redemption Fund unexpended proceeds of the Refunded Notes to pay a portion of the costs of the retiring the Refunded Notes.

Section 503. Application of Moneys in the Redemption Fund. Moneys in the Redemption Fund shall be paid and transferred to the Refunded Notes Paying Agent, with irrevocable instructions to apply such amount to the payment of the Refunded Notes on the Refunded Notes Redemption Date. Any moneys remaining in the Redemption Fund not needed to retire the Refunded Notes shall be transferred to the Debt Service Account.]

Section 504. Application of Moneys in Debt Service Account. All amounts paid and credited to the Debt Service Account shall be expended and used by the Issuer for the sole purpose of paying the principal or Redemption Price of and interest on the Notes as and when the same become due and the usual and customary fees and expenses of the Note Registrar and Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Account sums sufficient to pay both principal or Redemption Price of and interest on the Notes and the fees and expenses of the Note Registrar and Paying Agent as and when the same become due, and to forward such sums to the Paying Agent, if other than the Issuer, in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Note Registrar and Paying Agent will become due. If, through the lapse of time or otherwise, the Owners of Notes are no longer entitled to enforce payment of the Notes or the interest thereon, the Paying Agent shall return said funds to the Issuer. All moneys deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Note Resolution and shall be held in trust by the Paying Agent for the benefit of the Owners of the Notes entitled to payment from such moneys.

Any moneys or investments remaining in the Debt Service Account after the retirement of the indebtedness for which the Notes were issued shall be transferred and paid into the Bond and Interest Fund.

Section 505. Deposits and Investment of Moneys. Moneys in each of the Funds and Accounts shall be deposited in accordance with laws of the State, in a bank, savings and loan association or savings bank organized under the laws of the State, any other state or the United States: (a) which has a main or branch office located in the Issuer; or (b) if no such entity has a main or branch office located in the Issuer, with such an entity that has a main or branch office located in the county or counties in which the Issuer is located. All such depositories shall be members of the Federal Deposit Insurance Corporation, or otherwise as permitted by State law. All such deposits shall be invested in Permitted Investments as set forth in this Article or shall be adequately secured as provided by the laws of the State. All moneys held in the Funds and Accounts shall be kept separate and apart from all other funds of the Issuer so that there shall be no commingling with any other funds of the Issuer.

Moneys held in any Fund or Account may be invested in accordance with this Note Resolution in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than to the date when the moneys invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any Fund or Account shall accrue to and become a part of such Fund or Account.

Section 506. Application of Moneys in the Costs of Issuance Account. Moneys in the Costs of Issuance Account shall be used by the Issuer to pay the Costs of Issuance. Any funds remaining in the Costs of Issuance Account, after payment of all Costs of Issuance, but not later than the later of 90 days after the issuance of the Notes, shall be transferred to the Debt Service Account.

ARTICLE VI

DEFAULT AND REMEDIES

Section 601. Remedies. The provisions of the Note Resolution, including the covenants and agreements herein contained, shall constitute a contract between the Issuer and the Owners of the Notes. If an Event of Default occurs and shall be continuing, the Owner or Owners of not less than 10% in principal amount of the Notes at the time Outstanding shall have the right for the equal benefit and protection of all Owners of Notes similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Owner or Owners against the Issuer and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of the Note Resolution or by the Constitution and laws of the State;

(b) by suit, action or other proceedings in equity or at law to require the Issuer, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners of the Notes.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the Issuer contained herein and in the Notes shall be for the equal benefit, protection, and security of the Owners of any or all of the Notes, all of which Notes shall be of equal rank and without preference or priority of one Note over any other Note in the application of the funds herein pledged to the payment of the principal of and the interest on the Notes, or otherwise, except as to rate of interest, date of maturity and right of prior redemption as provided in this Note Resolution. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Outstanding Notes.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Owner of any Note shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies thereon. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Owners of the Notes by this Note Resolution may be enforced and exercised from time to time and as often as may be deemed expedient. If action or proceedings taken by any Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or shall have been determined adversely to such Owner, then, and in every such case, the Issuer and the Owners of the Notes shall, subject to any determination in

such action or proceeding or applicable law of the State, be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Notes, redemption premium, if any, or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Note Resolution and the pledge of the Issuer's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Notes or scheduled interest payments thereon so paid and discharged. Notes, redemption premium, if any, or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Note Resolution if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State and having full trust powers, at or prior to the Stated Maturity or Redemption Date of said Notes or the interest payments thereon, in trust for and irrevocably appropriated thereto, moneys and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of or Redemption Price of said Notes and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments. If the amount to be so deposited is based on the Redemption Price of any Notes, no such satisfaction shall occur until (a) the Issuer has elected to redeem such Notes, and (b) either notice of such redemption has been given, or the Issuer has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Note Registrar to give such notice of redemption in compliance with *Article III*. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the Issuer, for the purpose of paying and discharging any of the Notes, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Owners of the Notes, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or such bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Note Resolution.

ARTICLE VIII

CONTINUING DISCLOSURE REQUIREMENTS

Section 801. Disclosure Requirements. The Issuer hereby covenants with the Purchaser and the Beneficial Owners to provide and disseminate such information as is required by the SEC Rule and as further set forth in the Disclosure Undertaking, the provisions of which are incorporated herein by reference. Such covenant shall be for the benefit of and enforceable by the Purchaser and the Beneficial Owners.

Section 802. Failure to Comply with Continuing Disclosure Requirements. In the event the Issuer fails to comply in a timely manner with its covenants contained in the preceding section, the Purchaser and/or any Beneficial Owner may make demand for such compliance by written notice to the Issuer. In the event the Issuer does not remedy such noncompliance within 10 days of receipt of such written notice, the Purchaser or any Beneficial Owner may in its discretion, without notice or demand, proceed to enforce compliance by a suit or suits in equity for the specific performance of such covenant or agreement contained in the preceding section or for the enforcement of any other appropriate legal or

equitable remedy, as the Purchaser and/or any Beneficial Owner shall deem effectual to protect and enforce any of the duties of the Issuer under such preceding section.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 901. Annual Audit. Annually, promptly after the end of the Fiscal Year, the Issuer will cause an audit to be made of the financial statements of the Issuer for the preceding Fiscal Year by an Independent Accountant. Within 30 days after the completion of each such audit, a copy thereof shall be filed in the office of the Clerk. Such audit shall at all times during the usual business hours be open to the examination and inspection by any taxpayer, any Owner of any of the Notes, or by anyone acting for or on behalf of such taxpayer or Owner. Upon payment of the reasonable cost of preparing and mailing the same, a copy of any annual audit will, upon request, be sent to any Owner or prospective Owner. As soon as possible after the completion of the annual audit, the governing body of the Issuer shall review such audit, and if the audit discloses that proper provision has not been made for all of the requirements of this Note Resolution, the Issuer shall promptly cure such deficiency.

Section 902. Amendments. The rights and duties of the Issuer and the Owners, and the terms and provisions of the Notes or of this Note Resolution, may be amended or modified at any time in any respect by resolution or ordinance of the Issuer with the written consent of the Owners of not less than a majority in principal amount of the Notes then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) Extend the maturity of any payment of principal or interest due upon any Note;
- (b) effect a reduction in the amount which the Issuer is required to pay as principal of or interest on any Note;
- (c) permit preference or priority of any Note over any other Note; or
- (d) reduce the percentage in principal amount of Notes required for the written consent to any modification or alteration of the provisions of this Note Resolution.

Any provision of the Notes or of this Note Resolution may, however, be amended or modified by resolution or ordinance duly adopted by the governing body of the Issuer at any time in any legal respect with the written consent of the Owners of all of the Notes at the time Outstanding.

Without notice to or the consent of any Owners, the Issuer may amend or supplement this Note Resolution for the purpose of curing any formal defect, omission, inconsistency or ambiguity herein, to grant to or confer upon the Owners any additional rights, remedies, powers or authority that may lawfully be granted to or conferred upon the Owners, or in connection with any other change therein which is not materially adverse to the interests of the Owners.

Every amendment or modification of the provisions of the Notes or of this Note Resolution, to which the written consent of the Owners is given, as above provided, shall be expressed in a resolution or ordinance adopted by the governing body of the Issuer amending or supplementing the provisions of this Note Resolution and shall be deemed to be a part of this Note Resolution. A certified copy of every such

amendatory or supplemental resolution or ordinance, if any, and a certified copy of this Note Resolution shall always be kept on file in the office of the Clerk, and shall be made available for inspection by the Owner of any Note or a prospective purchaser or owner of any Note authorized by this Note Resolution, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental resolution or ordinance or of this Note Resolution will be sent by the Clerk to any such Owner or prospective Owner.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of the resolution or ordinance of the Issuer hereinabove provided for, duly certified, as well as proof of any required consent to such modification by the Owners of the Notes then Outstanding. It shall not be necessary to note on any of the Outstanding Notes any reference to such amendment or modification.

The Issuer shall furnish to the Paying Agent a copy of any amendment to the Notes or this Note Resolution which affects the duties or obligations of the Paying Agent under this Note Resolution.

Section 903. Notices, Consents and Other Instruments by Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by the Owners may be in any number of concurrent writings of similar tenor and may be signed or executed by such Owners in person or by agent appointed in writing. Proof of the execution of any such instrument or of the writing appointing any such agent and of the ownership of Notes, if made in the following manner, shall be sufficient for any of the purposes of this Note Resolution, and shall be conclusive in favor of the Issuer and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

(a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.

(b) The fact of ownership of Notes, the amount or amounts, numbers and other identification of Notes, and the date of holding the same shall be proved by the Note Register.

In determining whether the Owners of the requisite principal amount of Notes Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Note Resolution, Notes owned by the Issuer shall be disregarded and deemed not to be Outstanding under this Note Resolution, except that, in determining whether the Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Notes which the Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Notes so owned which have been pledged in good faith shall not be disregarded as aforesaid if the pledgee establishes to the satisfaction of the Owners the pledgee's right so to act with respect to such Notes and that the pledgee is not the Issuer.

Section 904. Notices. Any notice, request, complaint, demand or other communication required or desired to be given or filed under this Note Resolution shall be in writing, given to the Notice Representative at the Notice Address and shall be deemed duly given or filed if the same shall be: (a) duly mailed by registered or certified mail, postage prepaid; or (b) communicated via fax, with electronic or telephonic confirmation of receipt. Copies of such notices shall also be given to the Paying Agent. The Issuer, the Paying Agent and the Purchaser may from time to time designate, by notice given hereunder to the others of such parties, such other address to which subsequent notices, certificates or other communications shall be sent.

All notices given by: (a) certified or registered mail as aforesaid shall be deemed duly given as of the date they are so mailed; (b) fax as aforesaid shall be deemed duly given as of the date of confirmation of

receipt. If, because of the temporary or permanent suspension of regular mail service or for any other reason, it is impossible or impractical to mail any notice in the manner herein provided, then such other form of notice as shall be made with the approval of the Paying Agent shall constitute a sufficient notice.

Section 905. Electronic Transactions. The issuance of the Notes and the transactions related thereto and described herein may be conducted and documents may be stored by electronic means.

Section 906. Further Authority. The officers and officials of the Issuer, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Note Resolution and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 907. Severability. If any section or other part of this Note Resolution, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Note Resolution.

Section 908. Governing Law. This Note Resolution shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 909. Effective Date. This Note Resolution shall take effect and be in full force from and after its adoption by the governing body of the Issuer.

Subject: Wing Deck Rotary Mower
Agenda Item: New Business

Recommendation:

We opened bids on November 20th, 2018. The City received three bids for a wing deck rotary mower for the Cemetery.

Based on the review of the bids received, staff recommends purchasing the Jacobsen HR-600 from Kansas Golf & Turf for \$55,000. It is the second lowest bid.

Bid tabulation is attached for your review.

Background:

These wing deck/range wing mowers are the work horse mowers of the Parks Divisions. The Cemetery staff will use the mower to maintain the eighteen and a half acres of open space at the Cemetery. The staff and mower will keep this site well maintained. Additionally, the vehicle will be available for use by other divisions in the event of breakdowns or shortages. The Cemetery expects to get ten years of life out of a good model.

Currently the Cemetery does not have a functional mower of this type and tries to borrow from the Golf course. This has created some challenges with staffing and equipment.

If this purchase is made, Staff expects to sell a 2000 Hustler 4600 mower at auction. The Hustler mower has several significant mechanical issues and parts are discontinued for it.

Justification: The Kansas Golf & Turf bid (Jacobsen) is the lowest bid that met specs. Based on past experiences, Staff expects the Jacobsen model will cost the City less in maintenance and will have less downtime than the John Deere model.. Additionally the Jacobsen's wider decks allow for more efficient and faster mowing. The Jacobsen model also has improved systems and sensors that are designed to improve the life of the unit by signaling maintenance, dangerous conditions, and equipment faults.

Financial Considerations:

This is a budgeted purchase.

Subject: Mechanical Street Sweeper
Agenda Item: New Business

Recommendation:

Purchase the 2019 Elgin Pelican mechanical street sweeper from the low bidder: Key Equipment for \$211,895.

Background:

The Streets Department uses the Street Sweeper to keep the City streets clean and to help keep the City in compliance with storm-water drainage regulations.

Justification:

We sold our last sweeper at auction recently because it had extensive mechanical problems.

The Elgin Pelican sweeper has a simpler design that has several advantages to the City. It should be easier to maintain and repair. Additionally, its design allows it to be operated by a driver who does not need to possess a CDL.

Staff expects this unit to last eight to ten years.

Financial Considerations:

This is a budgeted purchase. Special Streets has \$220,000 budgeted. Additionally the prior street sweeper was a 2005 Sterling Acterra which we sold at auction.

Subject: Dodge City Legislative Policy

Agenda Item: New Business

Recommendation: Staff recommends approval of the 2019 State/Federal Legislative Policy.

Background: City staff has been actively working on defining the City of Dodge City 2019 legislative policy that will be submitted to our state legislators and congressional representatives. The legislative policy will be utilized to offer our stance on various issues that could impact how we deal with issues on a local level. The policy defers from but does not conflict with the Southwest Kansas Coalition legislative policy.

Justification: The legislative policy is a communication tool that enables our legislators to understand our position on issues that might come up during the legislative session. The City also generally supports the provisions of the State of Municipal Policy of the League of Kansas Municipalities.

Financial Considerations: None

Purpose/Mission: Together we promote open communications with our community members to improve quality of life and preserve our heritage to foster a better future.

Legal Considerations: None

2019 Legislative Policy

SUMMARY POSITION

This policy statement presents general state legislative goals and objectives formally adopted by the Governing Body of the City of Dodge City. This statement will be provided to the Dodge City legislative delegation for its consideration at the 2019 legislative session. The focus of this policy statement is on general policies and principles; however, some positions on specific legislative proposals are included under appropriate general policy statements. Future revisions to this statement will include additional positions of the City on specific proposals and bills introduced during the 2019 session.

FEDERAL

FEMA

Although FEMA has revised their mapping strategies, it still discounts the protection that existing structures provide. For Dodge City, this happens when an existing structure is structurally sound but since design standards have changed, a sound structure is now considered useless. It still adds previously unmapped flood areas into a classification of “Undetermined Flooding”. No one knows the affect this will have on the citizens living in or development in this newly classified area. Also, the “one fit” approach does not work. Attention needs to be made to local conditions to determine the best “fit” for the area.

If accreditation is still necessary, Dodge City supports new legislation prohibiting FEMA from adding previously unmapped or any new special flood hazard areas to flood insurance rate maps without local government agency approval. In addition, Dodge City supports new legislation prohibiting FEMA from using the “approximation method” for establishing new special flood hazard areas, particularly in developed areas of the country. The “approximation method” was designed by FEMA to streamline map modernizations and employs no reasonable opportunity for due process by affected property owners and local officials. New special flood hazard areas should only be added to the flood insurance rate maps after a detailed study and concurrence of local government.

Dodge City supports legislation that would extend the accreditation time period. This would allow cities to responsibly budget and prepare for the financing necessary to meet the required improvements to the levy system.

IMMIGRATION

Immigrant labor is vital to the Dodge City economy. Concurrently, Dodge City believes in legal immigration. Therefore, Dodge City believes the United States Congress should approach the immigration issue in a sensible way. For Dodge City, a sensible approach is an approach built on an essential foundation including the following:

- 1) All immigration legislation is tempered with an understanding of such legislation's economic impact for companies employing immigrants;
- 2) A recognition that immigrants living in Dodge City require a reduction in time and distance barriers between the individual and his or her pursuance of legal residency;
- 3) It is critical that United States Citizenship and Immigration Services enable local governments the ability to offer biometric services for applicants to reduce travel expenses as well as lost work and school time;
- 4) Recognition that Dodge City requires additional resources to integrate immigrants into the community; and
- 5) Dodge City supports a path to citizenship which is vital for immigrants who are of good moral character and ready to become fully integrated in our communities.

In addition, the City of Dodge City strongly believes that the United States Congress should engage to deliver a bipartisan legislation that provides a permanent solution for recipients of the Deferred Action for Childhood Arrivals (DACA) program. Such legislation should include a pathway to citizenship within a reasonable time frame.

TRANSPORTATION

AIR: The Essential Air Service (EAS) program is critical to providing the region with access to multiple major international airports. Dodge City encourages continued federal funding for passenger air service to Dodge City.

Dodge City supports incorporating qualified classroom training for commercial pilot certification in order to meet the increasing demand for passenger air transportation service in Dodge City and Southwest Kansas communities.

Federal funding through the Airport Improvement Program (AIP) is critical to maintaining the infrastructure of airports. AIP funding is available and should continue to be available to all airports. The uninterrupted funding of the AIP program is critical to the timely delivery of airport improvements. Dodge City supports continued and uninterrupted funding of Federal Aviation Administration and Airport Improvement Projects for airports.

HIGHWAY: Transportation infrastructure is critical not only to the safety of regional residents and travelers but also for the maintenance and growth of the regional economy. Dodge City supports increased transportation safety including continued funding for highway maintenance and infrastructure investment and efforts to promote traveler safety.

RAIL: Preserving cross-country rail service through Dodge City and Southwest Kansas is important as rural regions must offer many alternative modes of transportation. Dodge City believes freight and passenger rail service is one important way to maintain and grow the economy of Dodge City. Such service includes, but is not limited to, Amtrak passenger rail service. Dodge City believes Amtrak should continue to be adequately funded at the federal level and that necessary upgrades to rail infrastructure be provided through a joint effort involving federal, states, Amtrak and BNSF.

HOUSING

The City strongly supports the prevention disproportionate cuts to rural development programs. Such cuts affect rural housing which is vital to the continued prosperity of the economy in rural communities. Prevent changes to qualification standards currently in place for USDA Rural Development programs.

Provide the assistance of the USDA Rural Development to offer training in local housing associations, in programs such as the Direct Home Loans, Home Repair Loans and Grants, Mutual Self-Help Housing and Guaranteed Rural Housing Loans.

RENEWABLE ENERGY

The City strongly supports the renewable energy and the biogas industry. Dodge City believes that developing a viable biogas industry in the United States can boost the economy and provide a reliable, sustainable, distributed source of renewable energy while reducing greenhouse gas emissions. Communities and private organizations around the nation are installing biogas systems to manage wastes, but can also improve profitability for operations through energy and co-product sales, nutrient recovery and avoided energy costs.

Dodge City encourages continued support for RINS (renewable identification numbers), which provide an important incentive to producing renewable natural gas and promote financial opportunities to move forward in developing a robust biogas industry. The City suggest that no changes be made to the Renewable Fuel Standard program and that the Environmental Protection Agency does not lower the targets for cellulosic biofuels from the statutory targets.

RAILROAD QUIET ZONES

We urge Congress to reexamine the Train Horn Rule with the Federal Railroad Administration. Rules for implementing quiet zones should be less burdensome and allow for differences in community circumstances while continuing to protect public safety. We also request Congress provide federal funds for the purpose of establishing quiet zones and consider new technology which may enhance the safety of quiet zones while minimizing or eliminating train horn noise.

STATE

HOME RULE

HOME RULE: Dodge City strongly supports the constitutional home rule authority of Kansas cities. Consistent with the Home Rule Amendment of the Kansas Constitution **approved by voters in 1960**, Dodge City supports the ability of local elected officials to make decisions for their communities, particularly local tax and revenue decisions. Self-governance by locally elected officials must be preserved in order to ensure that local issues and problems are handled at the level of government closest to the citizens that they represent.

ANNEXATION: The ability of Dodge City to grow is inherent to the ultimate success of annexation powers as they are currently established in state statute. Dodge City recognizes the statutory framework which was amended in 2011 and 2015. Further amendment would shift this balance in a way that would impede orderly growth. Therefore, Dodge City would strongly oppose any further change which would limit the authority of Dodge City to grow through annexation.

EMINENT DOMAIN: Eminent domain is a fundamental municipal necessity. The authority to acquire property through condemnation proceedings is critical for public improvement projects. Dodge City supports increased flexibility for local government to use eminent domain for economic development purposes, including blight remediation, without seeking legislative approval.

PUBLIC PROPERTY & RIGHTS-OF-WAY: Dodge City opposes any legislation which would restrict the ability of cities to control and manage public property and rights-of-way or the ability of cities to franchise those entities that utilize the rights-of-way.

CITY ELECTIONS: Dodge City strongly believes that City Elections should remain non-partisan and separate from state and national elections.

GOVERNMENTAL ETHICS

KANSAS OPEN MEETINGS ACT (KOMA) and KANSAS OPEN RECORDS ACT (KORA): Dodge City supports all levels of government being subject to the same open meeting requirements which promote citizen involvement without being unduly burdensome. Open records laws should balance the public's right to access with the necessity of protecting the privacy of individual citizens and the ability of public agencies to conduct essential business functions. The statutorily required sunset for all exemptions to the Kansas Open Records Act is impractical and should be removed.

PUBLIC EMPLOYEES

City employees are the foundation of effective city government. City governing bodies must have the authority to develop personnel policies in order to attract and maintain a high quality public workforce.

KPERS/KP&F: Dodge City accepts the State's efforts to maintain the solvency of the Kansas Public Employees Retirement System by providing employees with a diverse professional investment portfolio that will offer long-term security. Dodge City supports the current statutory framework regarding KPERS and KP&F as passed by the 2012 Kansas Legislature. The local KPERS system should remain separate from the state and school retirement system. Changes to the KPERS/KP&F system should consider the impact on cities' ability to hire and retain qualified public employees.

MUNICIPAL FINANCE:

KANSAS TAX SYSTEM: Cities are important partners in creating jobs, reviving the economy, delivering vital services, and providing quality of life. Any changes to the Kansas Tax System must avoid shifting additional financial burdens to local governments.

PROPERTY TAX EXEMPTIONS: Dodge City believes that the existing property tax base should be protected and therefore encourages the Kansas Legislature to resist any proposal to further exempt any specific property classification from taxation. The machinery and equipment exemption should not be expanded. The Kansas Legislature should actively review existing exemptions in order to determine whether the exemptions are still appropriate or should be repealed.

REVENUE SHARING: The Kansas Legislature should reinstate existing revenue sharing programs. In the event that the State is unable to fully fund said programs, the Kansas Legislature should authorize cities to impose alternative revenue sources in order to maintain appropriate levels of funding for the health, safety, and welfare of our citizens.

TAX SPENDING LID: Dodge City opposes any state-imposed limits on the taxing and spending authority of cities. We believe that local spending and taxing decisions are best left to locally elected officials and the citizens they serve. Dodge City strongly supports repeal of the property tax lid.

UNFUNDED MANDATES: Dodge City opposes unfunded mandates. If the state seeks to promote particular policy objectives, such mandates should be accompanied by an appropriate level of funding.

INTERNET SALES TAX

The collection of sales and use tax should not preempt state and local sales and use tax authority. Should federal legislation allow for the state imposition of such taxes, we support the distribution of those funds to cities and counties using an equitable formula. Kansas should continue to participate in the Streamlined Sales Tax Project. Cities are important partners in creating jobs, reviving the economy, delivering vital services, and providing quality of life. The Governor and Kansas Legislature should include city leaders in discussions about restructuring the Kansas tax system and any changes must avoid shifting additional financial burdens to local governments. The City of Dodge City opposes the removal of sales exemptions for Kansas Municipalities.

COMMUNITY DEVELOPMENT

ECONOMIC DEVELOPMENT: Dodge City relies on state and federal programs to remain competitive in efforts to attract and retain businesses and qualified labor. Unfortunately, many government programs are designed for either urban or rural communities. Dodge City is neither due to the region's micropolitan statistical area (μ SA) geographical designation. Therefore, Dodge City is too big for rural-oriented programs and too small for urban-oriented programs. Dodge City is dedicated to the design and implementation of economic development programs for the growing segment of Kansas communities that are ineligible for many programs.

HISTORIC PRESERVATION: The Historic Tax Credit program and Historic Preservation Grants should be maintained and enhanced. Such programs assist communities in maintaining and/or restoring their historic buildings and serve as a critical resource for economic development and job creation. Without such gap assistance, many if not all redevelopment plans would be impossible to fulfill. These credits and grants provide valuable private investment that preserves our history and heritage not only for today but for future generations.

ZONING: Zoning is a fundamental municipal responsibility and is best controlled by local governments to ensure that acceptable and compatible uses of property are in place to retain and preserve the character of a community. This regulatory process is an activity best suited to the locally elected officials when considerations of health, safety and welfare of the community are to be determined. Dodge City opposes any change which would limit authority of cities.

STAR BONDS: Dodge City supports the ability of cities to utilize STAR bonds in order to promote economic development in their communities.

GAMBLING

By law, two percent of gambling revenue in Kansas must go to the Problem Gambling and Addictions Grant Fund which is designed to treat problem gamers and people with other addictions. Grants are to be awarded for the direct treatment of pathological gambling and for research regarding the impact of gambling on residents of Kansas, including determining the effectiveness of education and prevention efforts.

The Problem Gambling Fund must be protected for the purpose it is intended and must be allocated throughout the State with an emphasis on the gaming zones where people are at a greater risk to develop issues with problem gambling.

The State of Kansas should avoid legislation which would negatively affect existing gaming facilities and the communities which have dedicated public funds for infrastructure and growth related to such facilities.

HOUSING

The State of Kansas has provided many useful tools for communities to utilize incentives where gaps between construction rates and market rates prohibit development without incentives. The retention of these programs is critical to Dodge City as is the simplification of the processes required to make utilization timely and less complicated.

Dodge City strongly supports the Moderate-Income Housing (MIH) Program, an initiative funded by the State of Kansas and administered by Kansas Housing Resources Corporation (KHRC), which works to help cities and counties develop multi-family rental units, single-family for-purchase homes, and water, sewer and street extensions in communities with populations of fewer than 60,000 people. MIH funding can also be used to finance construction costs, rehabilitate unsafe or dilapidated housing, and offer down-payment and closing-cost assistance to homebuyers. We encourage the State of Kansas to continue providing MIH funding and also expand its financial commitment to this very important housing program.

The retention and simplification of programs such as Rural Housing Incentive Districts and Neighborhood Revitalization Program that are currently permitted by statute in qualifying communities is vital to Dodge City.

The Kansas Legislature should continue to grant affordable housing tax credits. The tax credit program continues to be a gap financing necessity which is imperative for developers to create affordable housing facilities.

TRANSPORTATION

TRANSPORTATION: Passenger rail, freight rail, commercial aviation, general aviation and adequate highways are critical to the safety of our citizens as well as a vital means of maintaining and growing our local economy. Dodge City believes in the continued advocacy and funding for transportation infrastructure and maintenance in Southwest Kansas.

HIGHWAY; Transportation infrastructure is critical not only to the safety of regional residents and travelers but also to the maintenance and growth of the regional economy. Dodge City supports increased transportation safety including continued funding for highway maintenance and infrastructure investment and efforts to promote traveler safety.

RAIL: Preserving cross-country rail service through Dodge City and Southwest Kansas is important as rural regions must offer many alternative modes of transportation. Dodge City believes freight and passenger rail service is one way to maintain and grow the economy of Dodge City. Such service includes, but is not limited to Amtrak passenger rail service. Dodge City believes Amtrak should continue to be adequately funded and that necessary upgrades to rail infrastructure be provided through a joint effort involving federal, states, Amtrak and BNSF.

IMMIGRATION

Immigrant labor is vital to Dodge City's economy and continued growth and development. In correlation to this issue and due to the increased number of safety and transportation risks with uninsured drivers, Dodge City supports an initiative for limited and restricted driver's license. The City also supports current legislation that gives in-state tuition to undocumented students at Kansas colleges and universities.

EDUCATION

EDUCATION: An adequate and stable workforce is essential to maintaining and growing the economy of Dodge City and Southwest Kansas. Therefore, Dodge City believes in establishing educational opportunities for local and regional residents. Such opportunities include, but are not limited to, specialized training programs and educational degree programs. To meet these educational goals, Dodge City wishes to maintain adequate funding to allow for growth and advancement of educational programs in K-12, as well as post-secondary and graduate programs. Additionally, Dodge City supports adequate funding for all Kansas Board of Regents institutions.

Dodge City strives to offer affordable and accessible education in the health care field that will help meet the critical gap in the health care industry and make it possible for students in Southwest Kansas to have the opportunity to remain in our communities. Dodge City encourages support and resources from our federal and state representatives to collaborate together to bring this project to fruition.

MEDICAID

Medical providers are challenged in meeting their communities' needs. We support the expansion of Medicaid/KanCare through receipt of the state budget neutral money therefore allowing such entities the ability to support critical services for their citizens.

WATER

WATER: Dodge City is dedicated to thoughtful water policy that enables Dodge City to safely and effectively meet water needs while also protecting resources. Dodge City believes increased local involvement is critical to the successful implementation of the current Kansas Water Plan and the Vision for the Future of Water in Kansas plan which is intended to coordinate the management, conservation and development of the water resources across the state for the next fifty years. Dodge City also strongly encourages the development of new and sustainable water supplies.

The expanded use of reclaimed or re-use water is one way that communities/cities can meet the future demands for water. The use of this water for non-potable uses needs to be considered. A couple of examples are: 1) to expand the use of re-use water for irrigation of private property; or 2) for use in construction projects.

In order to provide for the future growth of a community, cities must be diligent in purchasing water rights; however, in the past, water rights were 'tied together' and municipalities lost additional allocation with this procedure. When water rights are converted to municipal use from agriculture use, there is a reduction in the amount allowed for consumption. Agriculture consumption is in the form of irrigation. Most of the water consumption incurred by municipalities occurs during the summer months by irrigation. Consequently, municipalities should not have a reduction when converting water rights.

Dodge City supports legislation to allow municipalities the ability to "untie" currently owned water rights and reduce or eliminate the conversion of water rights from agriculture to municipal.

The City generally supports state legislative initiatives which would improve the quality of life for our citizens and enhance the effectiveness of local governments consistent with Home Rule. The City generally supports the provisions of the Statement of Municipal Policy of the League of Kansas Municipalities.

Memorandum

To: Cherise Tieben, City Manager
From: Nicole May
Date: November 28, 2018
Subject: Allocation of 2018 Special Alcohol and Drug Funds
Agenda Item: New Business

Recommendation: I recommend the approval of the disbursements of Special Alcohol and Drug Tax money for the recommended programs.

Background: The City of Dodge City receives a portion of the alcohol and drug tax that is collected in the community. That tax is allocated 1/3 to the General Fund, 1/3 to a Special Park and Recreation Fund and 1/3 to a Special Alcohol and Drug Fund. This allocation is spelled out in the Kansas State Statutes. The amount deposited into the Special Alcohol and Drug fund are to be used for “the purchase, establishment, maintenance or expansion of services or programs whose principal purpose is alcoholism and drug abuse prevention and education, alcohol and drug detoxification, intervention in alcohol and drug abuse or treatment of persons who are alcoholics or drug abusers or are in danger of becoming alcoholics or drug abusers”. In order to accomplish this, we take applications from agencies/programs that provide those services. A committee of 3 individuals reviewed the applications and made a recommendation on the allocation of these funds. The 3 people serving on the committee were Abbey Martin, Luanne Menard and Vickie Williamson. There is approximately \$95,000 to be allocated for these programs. The applications received, the amount applied for and the recommended allocation is:

Organization	Project	Amount of Request	Recommendation
Compass Behavioral Health	Dual Diagnosis services	24,000	14,500
Dodge City Police Dept – GREAT Program	Supplies and training for GREAT Program	2,600	1,500
New Chance	Assist with social detox position & bilingual licensed counselor position	72,000	69,500
Friends of Recovery	Oxford Houses of Dodge City	20,000	9,500

Justification: The applications received met the general requirements of the program. The recommendations by the committee are the amounts they feel best meets the overall goals of the program.

Financial Considerations: Money is available in the Special Alcohol and Drug fund to pay the recommended amounts.

Purpose/Mission: Support the quality of life in Dodge City by best spending the monies the City receives for drug and alcohol treatment, education and prevention programs.

Legal Considerations: None
