NEW BUSINESS

Report by Director of Administration, Ryan Reid.

ADJOURNMENT

Memorandum

To: City Commission
From: Director of Administration, Ryan Reid
Date: 04/20/2022
Subject: Special Purchase: Eleven Trucks
Agenda Item: New Business

Recommendation: Authorize the purchase of eleven pickup trucks from Lewis Chevrolet for \$535,563.00.

Background: Due to worldwide shortages and problems with logistics and supply, the City has faced challenges procuring vehicles. The City has had no bids on vehicles as well as cancelled orders in the last year or two. Lewis Chevrolet has indicated that they believe they can get these trucks manufactured if we place the order by May 26th. We will receive the vehicles in six to eight months (estimated).

Justification: These trucks are budgeted for Parks, Fire, Public Works and Development services. They are needed to allow these four departments to perform their missions.

In most cases the trucks that they displace will be passed to other locations within the department and in turn those vehicles may be sold at auction.

Financial Considerations: This is a budgeted purchase.

Purpose/Mission: Together we value progress, growth and ongoing improvement.

Legal Considerations: There are no legal considerations.
