Jan Scoggins a citizen of Dodge City thanked the parks department for the extra lights that were installed at the Sheridan walking path, also for making sure the edging on the grass was taking care of. She had two concerns one about the sign at the Sheridan that says Gunsmoke Trail. It is hard to read and is needing to be addressed. Her second concern is for our community

Memorandum

To: City Commission
From: Director of Administration, Ryan Reid
Date: 02/13/2023
Subject: Special Purchase: Four Durangos for Police (Patrol)
Agenda Item: New Business

Recommendation: Authorize the purchase of four 2023 white Durangos with installed accessories from JR Audio for \$215,616. This is \$162,496 for the four vehicles and \$53,120 for the accessories and outfitting.

Background: Due to continues worldwide shortages and problems with logistics and supply, the City has faced challenges procuring vehicles. Lately it has been very difficult for vendors to be able to guarantee supply or even know themselves what vehicles will be available in the future.

The City has reached out to two Durango vendors that we have worked with in the past and JR Audio was able to secure the vehicles while the other vendor was not.

Justification: These trucks are budgeted and are critical for the Police to perform their mission. The vehicles serve as transportation, communication centers, and offices.

Financial Considerations: This is a budgeted purchase.

Purpose/Mission: Together we value progress, growth and ongoing improvement.

Legal Considerations: There are no legal considerations.
