From: Nannette Pogue

Date: August 12, 2009

Subject: Ordinance No. 3476

*Agenda Item:
Ordinances and Resolutions*

Recommendation: It is recommended to approve Ordinance No. 3476

Background: Ordinance No. 3476 adopts the "2009 Edition of the Standard Traffic Ordinance" by reference. The changes made to this code during the 2009 legislature include the following:

- Section 1. Definitions.
- Section 24 Accident Involving Damage to Vehicle or Other Property
- Section 26 Duty Upon Striking Unattended Vehicle or Other Property
- Section 26.1 Removal of Vehicle from Roadway After Accident
- Section 31 Fleeing or Attempting to Elude a Police Officer
- Section 114.4 Unlawful Operation of a Golf Cart
- Section 114.5 Unlawful Operation of a Work-Site Utility Vehicle
- Section 195 Driving in Violation of Restrictions

Justification: The Standard Traffic Ordinance is updated annually because of the new laws enacted by the Kansas State Legislature

Financial Considerations: The booklets supplied to each City employee that references the ordinance is \$6.00 each. We purchase approximately 95 of them.

Purpose/Mission: To keep updated on the laws of the State of Kansas

Legal Considerations: Ordinance adopts the Standard Traffic Ordinance by reference

ORDINANCE NO. 3476

AN ORDINANCE REGULATING TRAFFIC WITHIN THE CORPORATE LIMITS OF THE CITY OF DODGE CITY, KANSAS; INCORPORATING BY REFERENCE THE "STANDARD TRAFFIC ORDINANCE FOR KANSAS CITIES, EDITION 2009" AND REPEALING ORDINANCE NO. 3462

Be it Ordained by the Governing Body of the City of Dodge City:

Section 1: INCORPORATING STANDARD TRAFFIC ORDINANCE. There is hereby incorporated by Reference for the purpose of regulating traffic within the corporate limits of the City of Dodge City, Kansas, that certain standard traffic ordinance known as the "Standard Traffic Ordinance for Kansas Cities," Edition of 2009, prepared and published in book form by the League of Kansas Municipalities, Topeka Kansas, save and except such articles, section, parts or portions as are hereafter omitted, deleted, modified or changed. No fewer than three copies of said Uniform Public Offense Code shall be marked or stamped "Official Copy as Adopted by Ordinance No. 3476" with all sections or portions thereof intended to be omitted or changed clearly marked to show any such omission or change and to which shall be attached a copy of this ordinance, and filed with the City Clerk to be open to inspection and available to the public at all reasonable hours. The police department, municipal judge and all administrative departments of the city charged with enforcement of the ordinance shall be supplied, at the cost of the city, such number of official copies of such Standard Traffic Ordinance similarly marked, as may be deemed expedient.

Section 2. TRAFFIC INFRACTIONS AND TRAFFIC OFFENSES.

- (a) An ordinance traffic infraction is a violation of any section of this ordinance that prescribes or requires the same behavior as that prescribed or required by a statutory provision that is classified as a traffic infraction in K.S.A. 8-2118.
- (b) All traffic violations which are included within this ordinance, and which are not ordinance traffic infractions, as defined in subsection (a) of this section, shall be considered traffic offenses.

Section 3. PENALTY FOR SCHEDULED FINES. The fine for violation of an ordinance traffic infraction or any other traffic offense will be established by the municipal judge in a fine schedule. A person tried and convicted for violation of an ordinance traffic infraction or other traffic offense for which a fine has been established in a schedule of fines shall pay a fine fixed by the court not to exceed \$500.

Section 4: REPEAL. Ordinance no 3462 is hereby repealed.

Section 5: EFFECTIVE DATE. This ordinance shall take effect and be in force from and after its publication in the official City newspaper.

Passed by the governing body of the City of Dodge City, Kansas, and approved by the Mayor this 17th day of August, 2009.

From: Ryan T. Reid, ISA

Date: 2009 08 10

Subject: New IBM Power System

Recommendation: I suggest we accept the bid from SPS VAR for the new IBM Power System server.

Background: The server system runs the City's main software system (Court, Utility Billing, Inspections, Code Enforcement, Fleet Maintenance, Finance, and Payroll). Additionally, other departments like Fire, Police, Communications, and Parks inquire into the system to get information.

Justification: The current system was purchased in 2004; since then we have dramatically increased users and software systems. It has been upgraded twice but it is just not powerful enough to meet City needs; it cannot be upgraded any further. Additionally, without this replacement, the City cannot upgrade the Naviline software.

Financial Considerations: The bid total was for \$41,629.

Purpose/Mission: In keeping with the City of Dodge City Core Values, the Power System is necessary for ongoing improvement of City efficiency and reliability. Additionally Naviline improves the ability of departments to work together and share information.

Legal Considerations:

Attachments: One (1) memo recommending the purchase of the IBM Power System.

MEMO

To: Nannette Pogue
CC:
From: Ryan T. Reid
Date: 8/10/2009
Re: IBM Power System (for City Hall Naviline)

Nannette:

I advertised specs for a new IBM Power System in the Globe and on our website outlining our need for a new IBM Power System server (for City Hall/Court's Naviline enterprise software system). Our current I Series server is about six years old and is not able to keep up with the demands of our many users. Since purchasing it, we have added many departments and applications. The system has been upgraded once, about two years ago but future upgrades (to address the speed deficiencies) are not possible. This project was budgeted for this year.

Barb Slagle and I opened and reviewed the bids on Tuesday, August 4th at 2:00. There was only one response; the total was \$41,629. After comparing the bid and double-checking its accuracy, I recommend we purchase IBM Power System from SPS VAR.

We have used SPS VAR's services twice in the past six years and they did a good job both times. Additionally SPS VAR is the hardware arm of Sungard, who is the provider of our enterprise software system, Naviline. This close relationship should allow for a seamless migration to the new system with minimal downtime to our departments.

Though we did not get any other bidders for this project, the bid is in line with previous estimates I have seen for this kind of system.

I would like to have this reviewed by the City Commission on the 17th so I can (hopefully) get the actual system installed in September, before end of year processes.

Thank you.
