

CITY OF DODGE CITY, KANSAS
Standard Specifications
for
1/2 Ton 4WD Truck Crew Cab

GENERAL PROVISIONS: Sealed bids for one (1), ½ ton crew cab trucks are invited and will be received until 10:00 a.m. at March 27th at the office of the City Clerk, 100 Chaffin Road, Dodge City, Kansas 67801-0880. All bids will be opened onsite immediately thereafter.

A bid form to be used by each bidder is attached. This bid form shall be submitted, together with complete specifications for the equipment being proposed, in a sealed envelope clearly marked “SEALED BID: ½ Ton Crew Cab Truck Fire”. Failure to use said bid form may be grounds for rejecting any such bid.

Bids submitted by mail shall be sealed in an envelope marked as indicated above and mailed in a second envelope to the City Clerk at the address indicated.

The equipment regardless of source deemed to furnish the best service for the City will be recommended to the City Commission. The City is exempt from State and Federal taxes.

SCOPE: This specification describes new, 2026/27 trucks. All federal and state safety regulations pertaining to motor vehicle construction and compulsory equipment shall be part of this specification.

ADHERENCE TO SPECIFICATIONS: Deviation from any of the requirements below shall be stated on the bid form or attached to said form unless so stated by the bidder. The City of Dodge City shall assume that requirements have been met and shall hold the bidder to each part of the specifications.

Approved equal shall mean equipment and/or components which will furnish the level of service required. The equal product shall be the same or better than that described. The City shall be the sole judge of suitability.

HEAVY DUTY: If used in this specification, heavy duty shall mean the item to which the term is applied shall exceed the usual quality, quantity or capacity supplied with standard production equipment and shall be able to withstand unusual strain, exposure, temperature, wear and use.

WARRANTY: The vehicle shall be new and unused and shall be completely prepared for customer delivery through service by a factory franchise dealer prior to delivery. A new vehicle pre-delivery inspection and service sheet properly completed and signed by the service manager of the seller shall be furnished with the vehicle. Each unit shall include all inspections coupons, certicards or warranty identification cards normally furnished in the trade in accordance with standard warranty policy. Said warranty maintenance required, when performed by the City of Dodge City shop shall be acceptable to the dealer when it meets or exceeds the dealers certification requirements. Evidence of such preventative maintenance shall be furnished by the City at no cost.

IMPLEMENTATION OF WARRANTY: The bidder shall furnish an outline of the method of implementation of the manufacturer's standard warranty.

DELIVERY: Each unit shall be completely serviced, including packing of front wheels and lubricated, at the time of delivery in accordance with factory service specifications. The vehicle shall be properly cleaned, windows washed inside and outside and all stickers, markings and protective coatings removed from the glass. The vehicle shall be delivered with separate invoices, registration warranty papers, pre delivery inspection sheets and required manuals. In any case where a vehicle is delivered minus any detail, including parts, items or accessories issued as standard manufacturer's equipment and/or as specified by the City, the Dealer will be notified immediately and he shall furnish the missing detail within 72 hours, otherwise the City reserves the right to purchase such detail from another source and bill the Dealer for the cost including installation.

The use of Dealer identifying items such as license plate frames, bumper stamps, dealer tags or any type of Dealer advertising shall not be permitted. The City will not accept delivery of any vehicle if such material is attached and should it be necessary for the City to require the removal of any such items, any damaged caused to the vehicle shall be repaired by the Dealer in a like-new condition.

INFORMALITY: The City of Dodge City reserves the right to reject any or all bid, waive any informality or to select any bid deemed to be in the best interest of the City of Dodge City.
