2020 Mowing Season

Dear Applicant:

The City of Dodge City notifies homeowners by mail when their properties are in violation of tall weeds and/or grass. If the property owner does not abate the problem, then the City provides mowers to clean up the property. The City calls qualified mowers on a rotation basis based on equipment needs. **We pay \$40.00 per hour** or portion thereof for each property.

If you are interested in providing mowing service this year, read over the following Guidelines and return the required information to the Inspections Department, at 806 Second Avenue. If you have any questions please call 225-8105.

Thank you,
Development Services & Inspection Dept.
